Founding Family Covenant

Eterna Christian Academy is built on covenant — not contract. A contract is a legal agreement between parties protecting individual interests. A covenant is a mutual commitment between people who have chosen to be responsible to one another for something larger than themselves.

By signing this covenant, your family and Eterna Christian Academy enter into a shared commitment to the formation, education, and flourishing of your child and of this community.

AS A FOUNDING FAMILY, WE COMMIT TO:

Active Faith

We are a family of active Christian faith. We will reinforce at home the values, worldview, and spiritual formation Eterna models in the classroom.

Partnership

We are partners in our child's education, not consumers of a service. We will communicate openly with teachers and administration, and respond promptly when the school reaches out to us.

Presence

We will ensure our child attends school regularly and arrives prepared. We understand that our child's presence matters to the community, not just to their grade.

Character

We will uphold the character standards of Eterna Christian Academy in our home and reinforce the school's approach to discipline, respect, and community.

Community

We are founding this school alongside other families. We will invest in those relationships, extend grace to other families and students, and contribute to a community that reflects the values we are building here.

Covenant

We understand that Eterna Christian Academy is not for every family. If at any point this covenant can no longer be honored, we will communicate with school leadership openly and in good faith.

ETERNA CHRISTIAN ACADEMY COMMITS TO:

- ◆ Know your child by name and treat them as an individual created in the image of God.
- ◆ Provide rigorous, accredited academic instruction through the Ignitia curriculum.
- ◆ Integrate biblical worldview into every subject, every day, without compromise.
- ◆ Maintain a safe, structured, and redemptive environment for all students.
- ◆ Communicate with you promptly, honestly, and with respect.
- ◆ Honor your role as the primary authority in your child's formation.
- ◆ Never turn a family away for financial reasons without first exploring every available option.
